## WHAT IS (ARE) YOUR GRIEVANCE(S)? PLEASE EXPLAIN IN DETAIL (add pages if needed)

*my Bible on CD's that I've had for around 10 years was compromised and taken from me to be labeled on Wednesday Nov 29, 2023. On Thursday Nov 30, 2023 the SAIT Gary Barkhouse told me that my Bible on CD's were being kept and I could only have 2 CD's according to the Privilege Level.*

## DESCRIBE YOUR EFFORTS TO RESOLVE THIS INFORMALLY AND THE TEAM'S RESPONSE.

*I called Grievance Officer Charles McIntire and explained that I have a Constitutional "Right" to my Bible on CD's and that still is treating my "Right" to have my Bible on CD's as a "Privilege". They set up a system to keep my CD's*

## HOW WOULD YOU LIKE THIS GRIEVANCE RESOLVED?

*behind the Nurses Station to be under a Privilege exchange system. Note: Charles please attach the 2 Team requests. Please Honor our past agreements for me to keep my Bible on CD's. see 2 attached Team Request by Kelly Johns and Bill Anderson. Please restore my Constitutional Right to have my Bible on CD's and return them to me.*

## TREATMENT TEAM RESPONSE/RESOLUTION OFFERED

*Number of CD's are limited based on level. All your CD's that are the Bible can be kept behind the nurse station and switched out as needed. You can have in your possession the number of CD's allowed based on your level. So, if you are allowed 2 CD's based on your level, you can switch them out for two different ones with nursing staff.*
